Golf Pro Jeff Wilson

Jeff hired Charles (Chuck) Burn as a new assistant pro to replace Kendall, he is coming with his family from Abilene, Texas. Hope to Start ASAP.

#1, #16, #17 and #18 greens still need repair.. Crew is bringing in one more pallet of Champion sod to make repairs and greens will be double verticut, and greens will continue to be mowed a little higher due to the intense heat. (1/35). Greens are a little slower than normal. Jeff is driving the course everyday twice a day. They will be putting in sleeves for the out of bounds stakes. The Ground crew is only cutting new pin placements every other day, and every day for tournaments and all 18 holes.
