- MGA Website - results from last tournaments and help with photos at tournaments.
- Directory for members, 248 in database for emails, web activity up 300%
- Club Championship rainout day to be determined

Guest Steve Gowan:

Likes what the MGA Board is doing this year. Fairway tees should never be used in a tournament. cannot compete because of the huge advantage after their first shot. It will only be used when members are playing their own ball.

Jeff Wilson - They are aware of the growth on the greens and are spraying the greens and the warmer temperatures will help. Company took soil samples to decide next steps for the course. Rules for disability flags posted outside pro shop. Confirmed to respond that they received the emails from Jeff.
